Especially during tough economic times, it's good to discover ways you can cut the cost of your health care without reducing the quality of care. Here's an easy way you can do just that...

By leveraging StayWell's expansive network of participating providers, you save money by having a wide selection of high-quality providers to help you along your health journey. As a Preferred Provider Organization (PPO) you can seek care at any of StayWell's participating providers while availing of competitive rates for your healthcare. Meanwhile, for any care you might need to seek outside of StayWell's network you will still enjoy coverage to help keep your out-of-pocket costs under control.

StayWell's network includes doctors, dentists, chiropractors, mental health professionals, hospitals, pharmacies, laboratories, optical firms, private home health care agencies and other medical facilities within the immediate Service Area and beyond. These participating providers have exclusive agreements with StayWell to ensure that our StayWell members can enjoy high quality care at substantially reduced rates.

## Why Pay More Than You Have To?

Whenever you need in-patient hospital care, surgery, or major medical diagnostic testing such as MRI's or CAT scans, follow these simple DO's to save on your out-of-pocket medical expenses.

### TO SAVE MONEY

- DO** – Call StayWell's Informed Choice Department to get pre-certification
  - DO** – Got a StayWell Center of Excellence
  - DO** - Go to a StayWell Preferred Provider and avail of reduced/fixed co-payments at a full-service clinic, laboratory and imaging center
  - THEN** – StayWell pays for your in-patient hospital and ambulatory surgi-center care! Your co-payment charges are waived!
  - PLUS** – If you qualify, StayWell will pay for your airfare YOUR COST is \$0.00\*
- \*Coverage is subject to benefit maximum.

### IF YOU DO NOT GO TO A CENTER OF EXCELLENCE

- You won't qualify for the airfare benefit
  - You pay 30% co-payment with NO maximum
  - You pay all charges in excess of StayWell's Eligible Charge\* with NO maximum
- YOUR COST MAY BE MORE THAN \$10,000**
- \*See member handbook glossary for definition

# STAYWELL'S CENTERS OF EXCELLENCE

The selected off-island hospitals participating in StayWell's network were chosen for their excellent facilities and their convenient locations. Though not all participating physicians and providers in a Center of Excellence are affiliated with StayWell, our office may be contacted for clarifications and our staff will be glad to assist you regarding any related concerns. In addition, the list may change from time-to-time without notice, please contact our office at (671) 477 – 5091 extension 1180 for an updated listing.

## WEST COAST, USA

### **Children's Hospital Los Angeles**

They are an international leader in pediatrics and are the largest pediatric cardiovascular center in the West Coast United States. Their comprehensive programs provide diagnostic, consultation, treatment and ongoing management for children of all ages from fetus to newborn, child and young adult care. This hospital offers the multidisciplinary care with 33 pediatric sub-specialties and dozens of special services available.

### **Keck Hospital of USC and USC Norris**

Conveniently located near Downtown Los Angeles, the Keck Hospital of USC is a private, 401-bed acute care hospital staffed by faculty of the renowned Keck School of Medicine of USC. The hospital offers top medical expertise and sophisticated technology, combined with a personalized approach to health care.

In addition, USC Norris Comprehensive Cancer Center, a part of the Keck health network, is a leader in cancer research and treatment. USC Norris' mission is to treat and prevent cancer by advancing and integrating education, research and personalized patient care. As one of the eight original National Cancer Institute (NCI) – designated comprehensive cancer centers in the United States, USC Norris is one of the nation's pre-eminent academic medical institutions. Their nationally and internationally renowned physicians represent extensive areas of expertise, giving

them the ability to provide high quality care for their patients.

### **KPC Healthcare Hospital System: Orange County Global Medical Center, Anaheim Global Medical Center, South Coast Global Medical Center and Chapman Global Medical Center**

For over 110 years, Orange County community hospitals have been serving one of the most traveled tourist destinations in the world. With more than 1,200 in-patient beds throughout their acute medical care centers, they provide high-quality, comprehensive and affordable healthcare. Their world-class hospital staff consistently delivers innovative and advanced medical care through the use of state-of-the-art equipment, that better serves their patients, but also about investing in the people throughout their local communities. Their mission is to ensure everyone they encounter enjoys life in great health.

### **PIH Health Good Samaritan Hospital**

Good Samaritan Hospital specializes in cancer treatment, pre-mature newborn care, orthopedic, intensive care units and general surgical care units.

### **PIH Health Whittier Hospital**

Founded in 1959 by community members who needed quality healthcare services close to home, this 523-bed hospital has grown into a healthcare system for much of the Los Angeles, Orange and San Gabriel Valley Counties. The Whittier campus

is home to the Washing and Wells Medical Office building, the Patricia L Scheifly Breast Health Center as well as its main hospital, dedicated outpatient surgery center and a community pharmacy making it a comprehensive healthcare center fully-equipped to serve their patients.

### **Providence St. John's Health Center**

Saint John's specializes in Cancer Care, Cardiac Care, Orthopedics and Women's health with facilities that provides a full spectrum of treatment and diagnostic services. In addition, Saint John's Transfusion Free Medicine & Surgery is a state-of-the-art multi-specialty care program that can be performed without the use of blood transfusion.

### **Providence Little Company of Mary Medical Center San Pedro**

Providence Health & Services hold a reputation as one of the premier comprehensive medical care facilities in the Southern California region. Providence Little Company of Mary Medical Center San Pedro is a part of network of not-for-profit hospitals, care centers, clinics, physicians, home health services, affiliated programs and services, and education facilities throughout the Western U.S. including Alaska, California, Montana, Oregon and Washington.

### **Providence Little Company of Mary Medical Center Torrance**

Holding a reputation for clinical excellence, use of advanced technology and a distinct focus on the personal nature of caring for patients, the Providence Little Company of Mary Medical Center in Torrance offers specialty programs. The Heart Center located in this facility features advanced cardiac catheterization and angiography equipment along with coronary angioplasty and open-heart surgery facilities available around the clock.

Their state-of-the-art obstetrical unit is complete with the county's first single family Level III Neo-natal Intensive Care Unit (NICU) to enhance parent-child bonding for even the most fragile of infants, and on-site Perinatal Center providing complete fetal diagnostic testing and genetic counseling.

## **THE PHILIPPINES**

---

### **Cardinal Santos Medical Center**

This hospital has 250 beds and more than 1,000 medical staff that excel in specialized medical care such as Cardiology, Neurology, Preventive Medicine and Diagnostics through continuous education and research.

### **Chong Hua Hospital**

An industry leader equipped with the latest diagnostic and life-saving devices, this hospital boasts a 246-bed capacity and features a 500-room patient accommodation facility to house patients who seek medical care from the facilities from all over the region.

### **Makati Medical Center**

Located at the heart of the country's primary central business district, Makati Medical Center has a 600-bed capacity and delivers quality and compassionate service through its highly-skilled and board-certified physicians, nurses and allied healthcare professionals. The medical center also features modern facilities with state-of-the-art science medical equipment and technology.

### **The Medical City**

The Medical City is one of the most modern and people-oriented healthcare institutions in the Philippines with a 434-bed capacity and a roster of some 256 highly capable medical consultants and dedicated paramedical and administrative staff. Services offered include Emergency, operating and delivery room, nursery, clinical laboratory, diagnostic radiology, CT scan, mammography, diagnostic ultrasound, radiation oncology, psychiatric care, neurological laboratory, cardiovascular laboratory, pulmonary service, physical therapy and rehabilitation services.

### **Philippine Gamma Knife Center**

As the only Leksell Gamma Knife facility in the Philippines, this medical facility employs a radio-surgical tool that delivers ionizing radiation to the brain to treat various diseases. The Gamma Knife provides patients with another option for the treatment of tumors, vascular malformations, trigeminal neuralgia and other conditions of the brain that were once only managed with open surgery.

Since its inception in 1997, the Philippine Gamma Knife Center has successfully treated hundreds of cases and to this day continues to provide patients with a proven alternative to brain surgery. The Philippine Gamma Knife Center is centrally located right next to Cardinal Santos Medical Center.

### **St. Luke's Medical Center**

St. Luke's is one of the most progressive and modern hospitals in the Philippines. The hospital has world-class equipment and medical staff including more than 690 beds and more than 1,000 physicians. Its facilities include institutes specializing in heart, kidney and kidney stones, cancer, general surgery, ophthalmology, pathology, pulmonary medicine, radiology and nuclear medicine laboratory.

# Member

## RIGHTS & RESPONSIBILITIES

### Member's Rights

- As a valued StayWell Member, you have the right to:
- Be treated with respect, consideration, and dignity regardless of race, religion, national origin, gender, cultural background, educational or economic status, age, sexual orientation, type of illness, or mental or physical disability
- Privacy and confidentiality of health information. Member disclosures and records are treated confidentially. Members are given the opportunity to approve or refuse the release of records except when required by law
- Receive information about the out-of-pocket share and fees you must pay
- Receive information about your plan benefits, coverage, limitations, and exclusions
- Be advised by a health care professional on how to schedule appointments and get health care during and after office hours, and for emergent care. This includes continuity of care
- Obtain medically necessary emergency and urgent care
- Know your access to out of area care and covered services, as applicable
- Access the network for primary and specialty care, including behavioral/mental health care
- Select and change providers within your plan's network. Refer to the provider directory for a list of all participating providers
- Know the names, credentials, and qualifications of healthcare professionals providing your health treatment
- Talk about appropriate or medically necessary care options, regardless of cost or coverage
- Be informed if a healthcare professional plans to use an experimental treatment or procedure.
- You have the right to refuse to participate in research projects
- Complete an advance directive, living will, or other directive, and to place that directive in your medical record
- Actively participate in decisions that relate to your health and your medical care through discussions with your health care provider or through written advance directives

- Receive complete information concerning your evaluation, diagnosis, treatment, and prognosis
- Receive interpretive services, as necessary
- File complaints or grievances about the plan, your provider, or care you receive
- File an Appeal for reconsideration of an Adverse Determination of a health service request or benefit.
- Have any questions or concerns about your rights and protections answered by us

### Member's Responsibilities

- As a valued StayWell Member, you are responsible to:
- Treat all healthcare providers, staff, and others with respect
- Provide an accurate health history, including information about medications and over-the-counter products, dietary supplements, and allergies or sensitivities
- Follow the treatment plan prescribed by your provider and to participate in your care
- Inform your provider about any living will, medical power of attorney, or other directive that could affect your care
- Accept personal financial responsibility for any charges not covered by insurance, if applicable
- Be familiar with your coverage. Pay your premiums and any copayments, coinsurance, and deductibles you may owe

**StayWell**  
INSURANCE

# Member StayWell ACCESS

## WEB PORTAL

### What is StayWell Access?

StayWell Access is an online web portal that gives members the ability to access coverage, benefits and claims information online **24-hours a day, 7-days a week.**

### Follow the instructions below to connect to StayWell Access:

1. Visit [www.staywellguam.com](http://www.staywellguam.com)
2. Click on ACCESS at the top of the page
3. Select Member
4. Click on Register Account
5. Read the License Agreement
6. Select Accept and click Next
7. Log in with your 11-digit member ID (no spaces or dashes).

### Members can view the following:

- ID card
- Current coverage and benefits
- Processed health claims
- Deductible and coinsurance/copayment
- Prior authorization requests
- Forms

### Questions?
